Subject: The Introduction of a National Co-Ed System within the Middle Schools System

The Co-Ed System will be starting in **FORM ONE ONLY** in all Colleges as from Scholastic Year 2014–2015.

Following the results of surveys and consultations carried out regarding the new College line-up, the College composition will remain as is. Furthermore, to cater for the imbalance in the College population, the Middle School set-up will not be the same in all Colleges. Some Colleges will have the Middle School on premises within the same secondary school set-up. These include the following schools: Mosta Boys' Secondary School, Mosta Girls' Secondary School, Żejtun Girls' Secondary School, Sta Lucia Girls' Secondary School and Pembroke Secondary School.

The other Middle Schools will be operating from another school as per table below.
