CLARIFICATION NOTE NO. 1

Reference is made to the above-captioned traditional tender for which the deadline for submission of offers is **Friday, 16th July 2021 at 09:30hrs**. Hereunder please find clarification, which is construed to form an integral part of the Tender Document.

Question 1: Our concern is how long the post may take from Ireland to Malta due to Covid impact, whether as registered or express post. There are sometimes delays to post to and from Ireland due to Covid impact. Is it possible either:

- a) to scan a copy of the envelope and postal registration to show it has been posted on Tuesday 6th July or
- b) email the application also as backup in case the post is delayed from Ireland?
- c) Or both of these?

Reply 1: The Contracting Authority advises economic operators to keep a scanned copy of proof of post. Offers can only be sent by post to the tender submission box located in the below address:

**Director DRLLE (Directorate Research Lifelong Learning and Employability)
Ministry for Education
Great Siege Road
Floriana VLT 2000
Malta**

Room 125/126 (Level 0);

**as specified in the published tender document (<https://education.gov.mt/en/Pages/tenders.aspx>)
in Section 1 – Instructions to Tenderers, Article 2 – Timetable.**

Foreign economic operators who shall be submitting their offer by post are to instruct their courier of the place/location of tender box where the offer package is to be delivered and highlight the closing time of this call for tenders.

All other tender documents, conditions and requirements, which are not superseded by this Clarification, remain in place.

Best regards,
