

At the Hotel/At the Restaurant

German and VET subjects - This project was done by the Department of German in collaboration with VET Hospitality and VET Media. Students of German practised vocabulary related to booking a room in a hotel and ordering food in a hotel restaurant in a real-life situation by carrying out role plays. In doing so they also learned more about the Hospitality sector, like using a coffee machine, greeting clients at the reception, serving guests in a restaurant. The entire project and role plays were in the hands of Ms. Jana Galea. Moreover, students of German and Hospitality cooked a German speciality - Schnitzel - which was enjoyed by all the students. Ms Charlene Mifsud was responsible for all the cooking and hospitality matters. All the scenarios were filmed by VET Media students under the guidance of their teachers, Mr Fabrizio Ellul and Ms Laura Caruana. The footage is entirely produced by them. Needless to say, that the students enjoyed themselves so much! We are all proud of them for working diligently and professionally.

The Baking of Lebkuchen

Students of German participated in the German Event 2021-2022 – **Frohe Weihnachten! / Merry Christmas!** It was organised by the Directorate for Learning and Assessment Programmes (DLAP). Students learning German in Year 7, Year 8, Year 9 and Year 10 were invited to participate in this activity. This was a great opportunity for our students to explore Christmas Celebrations in German Speaking Countries and find creative ways to describe them.
