### Guidelines

The Directorate for Learning and Assessment Programmes is organising an online Spanish activity – **Ciudades españolas/Spanish Cities**.

Students learning Spanish in **Year 7, Year 8, Year 9, Year 10** and **Year 11** are invited to participate in this online activity. It is a great opportunity for the students to get creative. Students in each year group can prepare a presentation on Spanish Cities which can be a Powerpoint, pictures or videos using digital resources. It is important that documents and images are sent in PDF and PNG format while videos are sent in MP4 format, size not exceeding 100 - 150MB. Students can work individually or in groups/pairs.
